## **How to Verify a California Speech License on the Speech-Language Pathology & Hearing Aid Dispensers Board website.**

Below are step-by-step instructions created through the use of Scribehow.com, a free Google Chrome Extension. Visit the [licensing website](#) for more detailed information or check out the [Pacific Coast Speech Services downloadable resources](#) for our flow charts to licensing & credentialing.

### **Verify Speech and Hearing License Online**

Licenses for CA speech pathologists and SLPAs are registered through the Speech-Language Pathology and Hearing Dispenser's Board. Use this guide to check to see if your preliminary (starting) license has been approved, and at the end of your RPE to see whether your permanent license has been granted. This is also where you would look for your expiration date to ensure you meet CEU guidelines.
